

SANDRA

SOCIAL COMMITTEE

I am a vibrant individual who loves a challenge and is highly motivated towards success. I am originally from Clarendon, Jamaica. I completed my secondary and post-secondary education in Canada. I graduated from the University of Toronto with a Bachelor of Science degree in Psychology. I am married and have two sons. My husband, Carl and my sons, Kamal (3 1/2 yrs) and Kadeem (1 1/2) provide an important source of love and support for me.

I am currently employed with Metropolitan Toronto Housing Authority as a Human Rights Officer. My work includes investigating human rights complaints, training and community development work in human rights, employment equity and anti-racism issues within the Housing Authority.

My professional work is complemented by my voluntary community work on various issues including, women's issues, youth, education housing and policing. I was a founding member of Ujamaa's Young People's Association and was elected president of the association in 1989.

I have worked with several other organizations including the Jamaican-Canadian Association on various projects and initiatives.

I was a member of the Board of Directors of Women's Health in Women's Hand's, a community health centre providing health services to immigrant/refugee, disabled, teenaged and older women. Presently, I am a member of the Black Women's Coalition, a group that advocates on issues affecting black women.

As you can see community work plays an important role in my life. I am pleased that I am being considered to join the Board of the Jamaican-Canadian Association. I look forward to the opportunity to contribute my skills and talent to the work of an organization that plays such an integral role in the African Canadian Community.
